Patrick T. McCoy
Education Professional of the Year Award

An award is offered annually by MOVITE to an individual in the academic profession who has made outstanding contributions to the advancement of transportation/traffic engineering through their dedication in higher academics and through their service to MOVITE/ITE and achievements in the transportation/traffic academic profession. The award will recognize an individual for contributions over a period of years.

Procedures for Selecting the Award Winner

The President will appoint a review board. The winner of the Education Professional of the Year award shall be determined by August 1 every year. An award winner shall be selected from the nominations received and the award presented except in the event of receiving no nominations. Members of the selection committee are not eligible for the award.

Procedures/Schedule of Submission for Award Consideration

The nomination should include a description of the person's contributions to MOVITE/ITE, professional achievements, and a statement as to why this individual is particularly worthy of recognition (a maximum of five double-spaced typewritten pages).

Nominations shall be submitted to the MOVITE Section President no later than June 1. If mailed, the postmark must be May 31 or earlier. Please mail application form to [MOVITE President](#).

The Education Professional of the Year Award

The President shall, at the annual meeting, present a suitable plaque commemorating and citing this achievement. A summary article about the award winner will be printed in the MOVITE Journal following presentation of the award.
